JORRIT TORNQUIST - L'IDEA DEL COLORE

Curated by Flaminio Gualdoni

16 September – 31 October 2026

ABC-ARTE ONE OF, Via Santa Croce 21, Milano.

The Idea of Colour presents a new chapter devoted to Jorrit Tornquist's research, one of the most rigorous investigations into colour developed in Europe in the second half of the twentieth century. Bringing together works from the 1960s through to recent years, the exhibition explores colour as a physical and perceptual phenomenon capable of redefining our experience of space.

Opening: Wednesday, 16 September 2026, 6:30 PM

For full details and larger images, please see the end of this document.
